

# HAIKU L

With impressive airflow and a clean aesthetic, Haiku L brings comfort and elegance within reach.

## INNOVATIVE STYLE, COOLING COMFORT

Bid farewell to drooping paddle fans with their pull chains and constant rattling—there's a calmer, cooler, more convenient way to stay comfortable. Haiku L delivers powerful airflow without the noise and features a minimalist modern design for luxury that looks great and feels even better.

- ✓ Create a more comfortable and engaging space for family, friends, and guests
- ✓ Save up to 30% on cooling costs with reduced A/C runtime
- ✓ Enhance your space's visual appeal with Haiku L's sleek design
- ✓ Broad, high-traffic areas

### Haiku L Transforms Your Comfort Here:

- ✓ Homes
- ✓ Offices
- ✓ Classrooms
- ✓ Restaurants
- ✓ Retail spaces
- ✓ Recreational areas

## KEEP YOUR COOL AND YOUR CASH

Haiku L's whisper-quiet EC motor and three-bladed design are incredibly efficient, providing cooling comfort at a fraction of the cost of A/C. In the mid-afternoon heat, Haiku L's airflow makes people feel up to 6 °C cooler, allowing users to raise their thermostat setpoints and reduce A/C usage while maintaining personal comfort within their spaces.

### Key Features

- ✓ Diameter options of 112, 132 and 152 centimetres
- ✓ Patented DC/EC motor for silent, efficient operation
- ✓ Black and white finishes available
- ✓ Hybrid-resin aerofoils for optimal airflow and durability
- ✓ Universal mount for flat or sloped ceilings
- ✓ Subtly designed standard remote; wall control optional
- ✓ Integrated LED kit
- ✓ 5-year residential warranty; 3-year non-residential
