

PHILIPS

Ceiling light

Functional

FC570

6922341920608

One fixture. Your switch. Three light settings.

Combine customizable light with a comfortable breeze with the Philips LED retractable ceiling fan light, which includes a remote control. With transparent blades that retract out of sight when not in use and three SceneSwitch light settings, this light creates the perfect atmosphere in any space.

Easy to experience

- Say goodbye to spinning shadows on the ceiling: this fan has transparent blades that can be folded into the light and out of sight when not in use.
- Choose from five different timers that turn off your light after a certain amount of time — and set them with the remote control.
- The Philips LED retractable ceiling fan light was designed to ensure powerful air circulation and continued reliability over time. Use it alone or with air conditioning for faster cooling.
- With operation modes for both summer and winter, you'll get the best settings to circulate the air in your space all year round.

Ambient light effect

- The Philips LED retractable ceiling fan light offers powerfully bright — yet comfortable — light for your home, which you can control with the included remote control or a wall switch.

Premium quality

- The Philips LED retractable ceiling fan light offers a quiet motor, circulating the air in the room without any loud noises.

6922341920608

Mounting

- The Philips LED retractable ceiling fan light has passed strict safety testing and includes drop-resistant screws and a sturdy design alongside other important safety features.

Highlights

Retractable ceiling fan with transparent blades
